NOTICE

Please note that, as part of the ongoing building work of the 4th tennis court and the extension work of the existing courts (Court 1, 2 and Stadium Court), **there will be some construction work taking place daily from 11pm onwards, until 25th of October 2019**. This work is necessary to ensure that the tennis courts are ready for the upcoming BML Maldives National Championships 2019. During this period, the existing back and side walls of the tennis court will be taken down. Utmost care will be taken in order to maintain the safety of the players.

The scheduled work times and dates have been decided in order to minimize any disruption to scheduled tennis practices prior to the tournament.

We apologize for the inconvenience caused.

Thank You

10th October 2019
