

Important Notice

Reference is made to TAM Notice dated 14th March 2020 regarding the decision to close the National Tennis Centre and suspend all TAM programmes/ events. We have been closely monitoring developments of the impact of COVID-19 at local and global levels and have followed instructions provided by the Government of the Maldives.

In view of above and the outcome of the national & international efforts to contain COVID 19, the TAM management have decided to further extend the closure/ suspension until further notice. We had earlier suspended all the tennis activities till 28th March 2020.

Please note a revised TAM calendar for the year 2020 will be published as soon as possible. We will make sincere efforts to ensure that as many tournaments as possible can be rescheduled for later in the year.

Whilst we understand that players and coaches are keen to prepare for the resumption of tennis activity, we will share the guidance based on how the phased lifting of current restrictions will take place by the government.
