

N/16/2020

Important Notice for players

Since the start of the current crisis related to COVID-19, TAM have been committed to making decisions favourable to fostering a safe tennis environment. In a time where we are experiencing an unprecedented crisis, this commitment includes the health and wellbeing of tennis players, coaches and parents.

However, it is with great regret that the management of TAM cannot proceed with the BML National Tennis Championships 2020 and decided to cancel due to public health concerns linked to the coronavirus epidemic.

Following a series of detailed deliberations with relevant authorities and the sponsor, it is the Management of TAM's view that we have to cancel the Championships.

We look forward to the return of tennis competitions in the year 2021.

14th November 2020
