**Rules for the selection of players representing Maldives in the 2024 ATF 12&U**  
**Team Competition Regional Qualifying Event – South Asia**

1. The selection matches will commence on 14<sup>th</sup> April 2024.
2. Tournament Director- Kumar Adhikari
3. A total of 3 boys and 3 girls will be selected for the team.
4. The selection will be played on a round-robin format amongst all eligible players that submitted interest to participate in the selection.
5. All matches will be played on a best of three short-sets format.
6. In the event of a tie at 4 games all in the first two sets, a normal tie break (7 points) will be played to decide the winner of the set.
7. In the event of a tie at 1 set all, the winner will be decided through a super-tie break (10 points).
8. 'No-ad rule' will be followed. It means that the first player to reach four points wins the game.
9. 'No let rule' will be adopted in all matches. No let rule means: If the serve hits the net, strap or band and goes into the correct service box, the ball will be in play.
10. The final standings of players shall be determined by the following priority:
  - a- Greatest number of wins.
  - b- Head to head results (if only two players are tied)
  - c- Highest percentage of sets won
  - d- Highest percentage of games won

11. For the purposes of the calculations above, when a match is played with a deciding match tiebreak instead of a final set, the tie-break will count as a set won or lost by one game to nil.
12. Each set of a match won by default will be recorded as a 4-0 result. A player winning due to retirement of an opponent will be awarded as many games as are required to achieve a result.  
For example, if a player retires when winning 2-1 in the first set, his/ her opponent will win the match 4-2, 4-0.
13. Each participating player may be required to play 2 or more matches per day.
14. All players are expected to attend their scheduled match without fail.
15. Players failing to report to a match within 10 minutes of the match being announced will be considered a walk-over, with the opponent declared as the winner.
16. No matches may be postponed, under any circumstance. All participating players are advised to avoid any conflicting commitments during the selection period.
17. Any player who gives a walk over will be given a warning in the first instance. Any player who gives more than 1 walk over will be removed from the Selections.
18. Notwithstanding any clause in the rules, Tournament Director reserves the right to amend the rules, where an unforeseen situation/circumstance not covered in the Rules arise during the course of the selection.
